Parents of Camp Road Middle School Students:

The PowerSchool Parent Portal is open. This tool gives parents access to their children's attendance and grades in every class in real time. **Parents who established accounts last year will be able to use the same usernames and passwords to access their children's information this year.** The following information about establishing accounts applies only to those parents who do not yet have accounts.

If you have not yet used the PowerSchool (PS) – Parent Portal, you will need to create an account, which will allow you to access up-to-date information on your child's grades and attendance. With your Parent Portal access, you will be able to click on your child's grade in a class and see the complete list of assignments and grades; and you can e-mail your child's teachers by clicking on their name within the grade book.

In order to access the Parent Portal, you will need a computer with Internet access and a working e-mail account, to which you alone have access.

. You need to e-mail the following information to:

CRMSParentPortalHelp@charleston.k12.sc.us

- 1) Your child's or your children's full legal names – as they appear on their birth certificates
- 2) Your full legal name
- 3) Your current address
- 4) Your best day-time contact phone number
- 5) The last 4 digits of each child's Social Security Number
- 6) The last four digits of a parent/guardian/backup phone number that we have on-file.
- 7) If you already have a Parent Portal guardian account for a student at another school, please provide that information. Your existing account can access multiple students.

We will verify your information and will e-mail you:

- Your private user name and password
- A live link to the Parent Portal Website
- Information on how to access and maximize the PS Parent Portal.

We hope that this will help keep you informed of your child's progress and improve parent-teacher communication. Please contact us with any questions or concerns.

Thank you,

David A. Parler, Principal
