

Procedures for Car Rider Traffic in the Morning and Afternoon 2017-2018 School Year

Camp Road Middle School will have two car rider lines this year for arrival and dismissal.

1. Ft. Johnson Baptist Church gravel parking lot to the right of the church:
 - a. The only entrance and exit to this car loop is on Pauline Avenue.
 - b. Your child will cross at the cross walk on Camp Road, follow the sidewalk and then enter the front door to the school.
 - c. At dismissal your child will follow the sidewalk and cross at the crosswalk to wait for his ride.
 - d. Cars exiting this car loop may turn only **left** onto Pauline Avenue between **7:45 -8:30 AM** and **3:30-4:15 PM**. Signs will be posted at the entrance/exit to remind you of this. This is a mandate from the South Carolina Department of Transportation.
 - e. The school's front doors will open at 7:30 AM. All students who arrive **before 7:50 AM** must report to the cafeteria until they are dismissed to their morning waiting areas (8th grade- - gym; 7th grade- -side yard playground; 6th grade- -playground near trailers). Students arriving **after 7:50 AM** must report to their designated area unless they plan to eat breakfast first and then they go directly to the cafeteria.
 - f. In the afternoon, the administration will provide supervision until 4:15 PM. At that time all remaining students will be escorted to the front porch of the school to wait for their rides. **Cars are encouraged to stagger pick up times to lessen the congestion with long car lines**

Ft. Johnson Baptist Church has graciously agreed to collaborate with Charleston County School District for the three years to provide its side parking lot as a car rider loop. Parents in the early childhood program at the church will be dropping off their children at the same time as Camp Road Middle School students are being dropped off in the morning. Please do not take advantage of the church's good graces by using its church/school parking lots.

2. Car rider loop on the left side of the Camp Road Middle School campus:
 - a. The only entrance and exit to this car loop is from Camp Road and the car line winds behind the school where parents may drop off their children in the morning and pick up in the afternoon.
 - b. The security gate will open at 7:30 AM for cars to enter the back of the campus and all students who arrive **before 7:50 AM** must enter the building through the back door to the cafeteria and sit in their grade level assigned area until 7:50 AM when they are released to their designated waiting areas (8th grade- -gym; 7th grade- -side playground; 6th grade- - playground near trailers). Students arriving **after 7:45 AM** must report to their designated area unless they plan to eat breakfast first and then they go directly to the cafeteria.
 - c. Cars exiting this car loop may only turn **right** onto Camp Road between **7:45 AM-8:30 AM** and **3:30-4:15 PM**.
 - d. In the afternoon, the administration will provide supervision until 4:15 PM. At that time all remaining students will be escorted to the front porch of the school to wait for their rides. **Cars are encouraged to stagger pick up times to lessen the congestion with long car lines**

In addition, as a courtesy, from 7:30 AM-7:45 AM, parents may drop off their children off at the front door to the school. After 7:45 AM, only buses are allowed in the front parking lot.
